TEMECULA VALLEY HIGH SCHOOL

Providing Scholarships to High School Seniors in Temecula Valley

October 23, 2009

Dear Community Members,

**Citizens' Scholarship Foundation is excited** to kick off our 23<sup>rd</sup> year of helping local seniors make their dreams of a higher education become a reality! We need your help! Without your support, some of our brightest high school graduates from Chaparral, Great Oak and Temecula Valley High Schools may not have the means to attend college. Tuition at local community colleges, California State Universities and the University of California system has risen about 30% this past year. This cost combined with increases in room and board, books and other student expenses can be extremely cost prohibitive. So, let's all **pay it forward** and see if we can accomplish another great year helping our local grads!!!

Giving scholarships through *Citizens' Scholarship Foundation* has many advantages!

- **Community Visibility** - Awards Night presentation in front of Temecula community leaders, school officials, students and their families.
- **Investment Return** – Make an investment in something that will grow exponentially in the future.
- **Local Notoriety** – Give a scholarship in your name or in the name of your favorite organization.
- **Maximize Effort** – Let CSF do the legwork and paperwork while you receive the credit.
- **Personal Selection** – Read the student's applications and choose the recipient of your choice.
- **Scholarship Advantage** – Dollars for Scholars affiliate with Collegiate Partners Program.
- **Tax Advantage** – CSF operates under a 501(c)(3) IRS tax determination.

Make this your opportunity to show commitment as a *'believer'* in our community's youth. Provide a deserving student with a *local pat on the back* by completing the enclosed pledge sheet and returning it today, along with a check providing someone with a college scholarship.

You'll be glad you participated in this rewarding program!!!

Sincerely,

Rita O'Neill, President
